 - At the beginning of Glory Dazzle, Elian characters are placed in isolated islands that we call the Lands Between. After the real world slips into a chaotic era and the people, the power of the gods, and the fate of the lands became entangled with one another, the Lands Between was formed. The gods bonded with man and the world began to come to an end. Ryth, the strongest god of all, fell into an abyss and caused the magic that has protected the Lands Between to disappear. The old gods descended on the lands below and brought chaos. Through this, the young god of glory, Taeyoon, was born and made the Lands Between habitable again. He led them in a quest to find Ryth who was brought low by the black power of darkness.
