The world of Reverie has been overrun by a dictator who makes his home in the castle at the top of Avera Mountain. Led by an enforcer named Quill, the fortress' inhabitants are kept in line through a combination of fear and physical pain. Quill and his group are on the run, fleeing the regime's thugs. Players assume the role of a small band of convicts who escape the fortress along with Quill. They work their way through the wilderness, scrounging or looting supplies to maintain their journey. With each enemy crushed and journey made, they are no longer in constant danger and can begin to build their own community on the mountain, grooming their skills and finding new ways to survive. Are you strong enough to stay free? -Source: Steam (1) This game features full controller support! You can enjoy Total War: THREE KINGDOMS the way it's meant to be played! The Rainbow Kingdom is your home! Your father is the King and you're one of his subjects. You'd do anything for your Dad and your country, of course, and the reward is a life of happiness and prosperity. But you know, your Dad's not really well. He's got a big job as the ruler of the region, and he's always tired and worn out... But, maybe someone else can take his place. If this is your first time playing the free-to-play Nintendo 3DS game that lets you customize a non-playable character and choose their voice, the best way to go is to start with the free-to-play demo. It gives you a unique character to play with and helps to encourage you to try the full game. You may also want to consider the Nintendo eShop version of the game. It includes all of the game content, but it doesn't include a character to play as. You can play the game without the character, just like with the Nintendo 3DS demo. Version 1.0.0 -The first version of Boot Hill Heroes Key Features: 1. With more than 30 jobs to choose from, you can customize your character as you see fit. 2. Use of a free-to-play demo to try the game. 3. Save your data from the demo and continue the game with your custom character. 4. Tutorial and help information. 5. Support for English, French, and Italian! 6. Is your character a vampire, demon, or a ghost? 7. You can use your own customized character as your own army. 8. Easy to build up your Reaching Point. 9. Unique customization system 10. Create a story with your own character.
