accounts in each country you'll be playing in. You can also take a look at other games in the free Playtonic catalogue, including UppercuT, Mighty Switch Force! and GalanXi. To be honest, I've never played any of these games, but I know that they're all good. It might be a good way to get to know the games that Playtonic are working on. Make sure to also check out their website, which includes information on how to get in touch if you want to work with the studio.

How to be a Playtonic Local Ambassador

Finally, you can also be an official Playtonic Local Ambassador. The opportunities vary, but you'll get a lot of benefits if you're interested in joining. You can get to know the development team, and you'll get to play a key role in helping promote the game to potential local players. There are two main ways you can apply to be an Ambassador, and they're both on the official Playtonic

website: You can sign up to be an official Playtonic Ambassador, and you'll get a range of different benefits. Read through the membership details on the official Playtonic site to find out more.
