----- A storm is approaching lands of Eorzea, while the Taelos Empire is rising. The citizens of the Lands Between, the weaklings that live in the shadows, prepare to face this storm that their land will encounter. In the course of this confrontation, the country of Eorzea is being swept away. The world of Aciaro is in danger, but it is the fervent hope of the ruler of the Lands Between that his country may yet survive. Under the guise of a dark knight clad in black armor, the leader of the Lands Between, a man by the name of Tarn, is fighting a “chosen” war to conquer the Lands Between with the help of sorcerers and mercenaries of Taelos. However, the story of Tarn and the Lands Between is not the story of this war alone. In fact, it is this war that has created the next storm, one where a representative of the strongest party of Taelos, a brave and pure-hearted young girl, becomes engulfed in the conflict between the wars of Tarn and her country. In this world, this girl by the name of Vivi is trying to uncover the mysteries of the Lands Between. Despite the danger she faces, she searches for the truth with her loyal loli-type friends, whose existence only she knows. But, can you even live in this world? So please come along and join Tarn and Vivi on their journey as you become a part of the story of the Lands Between! ----- Travel through the main story and battle your way through the story of Aciaro together with Vivi! The world of Taelos has a shared world where people from different nationalities can meet. Join a large number of players in this world and enjoy the shared quests together! ----- Details about the system are listed below! •Online Multiplayer With the online features, you can interact and collaborate with other players. •Offline Single Player You can enjoy the story of Aciaro separately, without an internet connection. •Offline Cooperative Play In the offline cooperative play, you can only play through the campaign with up to 3 players, but you can work together even if you are playing in parallel!

"I feel that the effort Tarnished Studios and Portopia have invested into this title is well-taken, and it is evident that there will be a lot of people who enjoy this game." "Since many people know how the story ends, there's nothing to be done about that, but still, the writing is engaging and fun to experience." "The story itself is short, but what it does, it does well, and the very character-building of the player is something we don't see often." "There are times where I had to shake my head and say to myself, 'this is a decent spin-off game.'" LOADS OF CONTENT More than 30 hours of gameplay available in-game.
