Robert E Howard's Conan: Adventures in an Age Undreamed Of is a huge tabletop gamebook that takes you into the world of Conan the Barbarian, where heroes raise blood-spattered swords against dire sorcery, exotic lands beckon to the daring, danger and treasure lurks in forgotten ruins, and where loathsome creatures haunt the spaces beneath the earth. as well as in the throne-rooms of mighty kingdoms! [h2] Conan Seek your fortune in forbidden tombs or upon blood-soaked battlefields. Cast dark and terrible spells of unimaginable power, at the price of your soul. Sail

upon untamed seas to lands where no human in living memory has walked. Fight for the fate of civilization -- or barbarism -- on a savage frontier! Create your own RPG legend in this decadent and violent world.Complete 2d20 tabletop RPG system, including combat, skills, talents, sorcery, and equipment suitable for adventuring in the age before history.An extensive gazetteer covering the whole of Conan's world: featuring fair Aquilonia, gloomy Cimmeria, magic-haunted Stygia, all the way to the far-off steaming jungles of Khitai. Extensive guidelines for running scenarios and campaigns in the Hyborian Age, allowing gamemasters to create suitably Howardian adventures. Fearsome foes, ranging from bandits to sorcerers, apes to giant serpents, Children of Set to frost giants, forest devils, and characters of renown such as Conan or his most deadly foe, Thoth-Amon. A team of iconic Conan artists, including Tim Truman, Simon Bisley, Esteban Sanjulian, Maroto, Mark Schultz, Tom?s Giorello, and more. Developed in close consultation with award-winning Conan scholars, this is the most authentic depiction of Conan and his world ever published for games. WELCOME TO THE HYBORIAN AGE!

[h2] About The Game: Know, O Prince, that between the years when the oceans drank Atlantis and the gleaming cities, and the years of the rise of the Sons of Aryas, there was an age undreamed of, when shining kingdoms lay spread across the world like blue mantles beneath the stars. The game developer
Ivan Rukavac

I have been working on this project for four months. Each moment was filled with a lot of blood and sweat. Ultimately I was happy with the result of all of that hard work. After I had finished, I tested the game and was happy with the result. As a result, I decided to release it.

The game itself
The game is about love and the situation that occurs when a couple is getting into it. In this game, you will be able to experience everything in a whole new way. It will not matter if you love yourself, another person or even if you will find a partner. It is an adventure that will be filled with love and happiness. Will it be in the beginning or even in the end? Or is there something else?

This is love, you know?!

You think you know yourself? If there were another me, Observing myself from the perspective of a spectator, How would I regard another me? How would I get along with the other me？ I and Me is a puzzle platformer. To play the game, you control two cats simultaneously. The two characters will perform exactly the same action. You need to manage both of them at the same time and let them coordinate to complete the adventure. The game has four chapters based on four seasons with a total of 90 levels. Sometimes you must think carefully, and in some places you need to be flexible. The soundtrack of the game is soothing with orchestra and piano music, each season has its own style. About This Game: You think you know yourself? If there were another me, Observing myself from the perspective of a spectator, How would I regard another me? How would I get along with the other me？ PLEASE NOTE: This video is for educational purposes only.
