Pcpaymoneyadder...Q: Is it possible to list files on a remote git repository using the git-upload-pack command? Git's command line utility seems to have support for uploading and listing packed files for local repositories only. Does the git-upload-pack command allow listing the contents of a remote git repository as well? A: From the documentation here, git-upload-pack seems to be able to list files in a remote repository, but not the entire repository. --remote-upload --list This will cause git-upload-pack to enumerate files that are already stored in the object store, instead of actually storing them. This option is not needed if the files were already stored before, because they will be listed anyway. If you'd rather use a script, an example can be found here on Google Code, which is a bit more robust. manensar de que estará más abierto hacia el mundo. -¿Cómo crees que va a cambiar la política exterior de Uruguay? -Yo diría que se va a destacar una cierta preocupación por los derechos humanos y una cierta conciencia sobre la importancia de tener una relación correcta, sabiendo que es también una relación que enfrenta desafíos. Pero creo que estamos en un momento de cambio en América Latina y Uruguay, a diferencia de antes, es un país donde muchos de sus vecinos tienen un ojo puesto en las relaciones con Uruguay y en la normalización de la situación bilateral. Cambio total -Hablás de "cambio total". ¿Cu 6d1f23a050
