Columbus Man Shot by Police Columbus, OH (WCMH) — A

23-year-old Columbus man is in critical condition after he was shot by police early Tuesday morning.

According to police, officers were called to the 12000 block of Hayden Road around 12:30am Tuesday.

When officers arrived, they spotted several people in the street, and one

person who they believed was a gun in his hand, so they asked him to drop the gun. Police say he did not, and that led to a fight. When a struggle ensued, the man fell to the ground, and that's when officers shot him. The 23-year-old, whose name has not been released, was transported to Grant Medical Center with life-threatening injuries, and was later listed in critical condition. The man who shot the man is currently on paid administrative leave pending the outcome of the investigation.
