To avenge his father's death, a circus performer trained in magic and acrobatics turns into a thief to rob a corrupt bank in Chicago. He must steal a mysterious disc containing information that could prevent a gang war. But instead, he meets a beautiful girl who helps him in this adventure. In the course of an adventure full of fights and murders, they fall in love with each other. The movie that has been (and is) being talked about is based on a true story. The hero of the picture, named James Cole, was convicted of robbing a Chicago bank in 1938. He was sentenced to two life terms. The perpetrator fled and was put on the wanted list.
