MECHANICAL IMAGES - Urban faces Nelson Brissac Peixoto From the book Paisagens Urbanas, published by Editora Senac SÃ£o Paulo, 2003. Â© 2004 We are all small, ordinary, unknown people. And yet, we seem very different to others. If we want to draw attention to ourselves, then we have at our disposal many ways to do this. However, do not waste time on useless flirting. One has only to remember that we are all social beings (social). We are part of society. We think we are unique, but we are not. We are part of the community. We are part of the crowd. Our personality is just a mask.
