
Prosonic Studios Major And Minor Arpeggio Patterns MIDI _VERIFIED_

Are you tired of reaching for the same chords over and over again? (I think these are the same chords everyone else uses.) I'm sure you know them: C major. That's really all I can say. But if you ask me, you can use chords that look different. If you do this, then you are truly empowering yourself. I also want you to think about what happens when you start playing the songs from the movie.
